To Advertisers

137 THE HERALD has the largest circufation in Utah. It is a disitor to more homes in this territory and the surround- Cabbage, ing region than any other newspaper published. Its constituency comprises more heads of families than any other, and it is therefore the best advertising medium in Salt Lake.

We desire to say to our citizens, that for years we have been stilling Dr. King's New Lise Pills, Buckin's Arnica salve and Electric Bitters, and have never modice remedies that sell as well, or that invegiven such universal satisfaction. We do not hesitate to guarantee them very time, and we stand reasy to refund he purchase price, if satisfactory results to not follow their use. These remedies have won their great popularity purely in their merits. At A. C. Smith & Co's. Seug store.

JOHN H. ALLEN,

Too

Cautious

In selecting or purchasing your advertising space. By that we mean, don't insist on getting the best and paying the least money for it. There is such a thing as being too shrewd and too driving in concluding a contract. It has become a custom with some managers of mercantile institutions, to listen very attentively, admit every point and then offer to close the deal at just one-half the 14x20 inches in size, of the World's figure quoted by the adver-Fair buildings, a map of the United States, map of Chicago and other valu-able information. tising agent. If the solicitor says, "that space with position guaranteed, will cost you \$1,000 for the year," the Agent, Room 22 Morlan Block, 15 W. Second South street, Salt Lake so-called shrewd bargain driver often says, "he will give you \$750 and close the GIANT OF THE ROCKIES I deal at once." The result is, very often the solicitor goes prepared to drop in price, and consequently accommodate the shrewd (?) manager. Understand your business; comprehend your wants; be capable of estimating the value of an article and if you WANT it, buy it and pay the figure quoted.
